

Allegan County Road Commission

Brief:

The Allegan County Road Commission required a maintenance facility on the western side of the County on existing Road Commission property outside of Fennville.

Strategy:

An 18,000 SF facility with a drive-through garage was designed. The garage contains a hoist, parts room, office/lunchroom and locker rooms. A new well and septic system was designed that included a 10,000 gallon oil interceptor system.

Project Information:
