

Dorr Township Hall And Fire Station

Brief:

A growing township required a new township hall and fire station.

Strategy:

A new facility containing township general offices, community room, ambulance/police office, and radio room were placed in the office area. The fire station is a drive through facility that can handle up to six vehicles. The design also incorporates a hose-drying tower.

Project Information:

Building Size:	10,760 SF
Site Size:	1.4 Acres
Completion Date:	1990
Project Cost:	\$430,000
