

AvTech Laboratories

Brief:

Provide a small but growing contract laboratory with an expandable facility taking advantage of the site's natural view.

Strategy:

By designing the building with the laboratory support staff in the center of the building, laboratories can be added to each wing, as needed. Bands of glass and the situation of the building diagonally lets the employees and visitors enjoy the views of the site and the natural surroundings.

Project Information:

Building Size:	19,261 SF
Site Size:	10 Acres
Completion Date:	June of 1994
Project Cost:	N/A
Reference:	Bill Whitaker, CM
