

RANIR Corporation

Brief:

The leading manufacturer of off brand tooth brushes and dental floss needed to expand its facilities so it could consolidate its out-of-state facilities.

Strategy:

The building was designed to enhance the company's corporate image. It also tripled their office space, provided for high density warehousing, allowing for an expansion of another 50,000 SF for manufacturing.

Project Information:

Building Size:	200,000 SF
Site Size:	20 AC
Completion Date:	1994
Project Cost:	N/A
