

Prince of Peace Lutheran

Brief:

A small inner city church located in a house was destroyed by arsonists. With only the exterior concrete block walls still standing, the church decided to rebuild on the same site.

Strategy:

A new building was designed to reuse the remaining walls of former building to provide a new 100 seat sanctuary, narthex, fellowship and office areas.

The building was designed using economical, low maintenance materials to form an attractive and usable facility.

Project Information:
