

## Kentwood Community Church, Kentwood, MI

WLP has recently developed and received congregational approval of a new **Master Plan** for this church of 3000, one of the largest in the Wesleyan denomination. The Master Plan mainly consists of developing a new **Childrens' Ministry Complex**, a new Administrative Center, significant improvements to interior and exterior circulation, and development of more multi-purpose spaces targeted to various youth and adult ministry areas.

The plan was developed over several months using a *ministry-driven* process.
