

Swanson's Retail Center

Brief:

Located in a fast growing area, the Owner of an auto repair center realized he had an underdeveloped multi-use development.

Strategy:

A phased design was developed to keep his business in operation during construction and relocate primary power lines. The building exterior is designed to fit in to the neighborhood while obtaining the needed height to attract shoppers.

Project Information:

Building Size: 24,875 S.F.
Site Size: 4.0 Acres
Completion Date: Under Construction
Project Cost: N/A
Reference: Randy Swanson – Owner; Max Scholz – C.M.
